113009743

Trace insertion sort by showing swaps for this data using a table

int[] data = {2, 4, 9, 6, 5, 3, 1};

2	4	9	6	5	3	1	aux
							4
	4						
							9
			9				
							6
				9			
			6				
							5
					9		
				6			
			5				
							3
					9		
				6			
			5				
		4					
	3						
							1
						9
